

Do I need to install anything to access the platform?

Last Modified on 17/02/2026 5:23 am EST

Nope - you just need internet access!

Our database and functionalities are navigated through web-based applications, so all you need is a [modern web browser](#) and a stable internet connection. Our platform works on all major internet browsers (e.g. Google Chrome, Mozilla Firefox, etc.).

If you ever experience strange behaviour, try [opening an incognito/private browsing window or clearing your cache](#).
